PROFILE

Sound engineer and professional guitarist with two years of studio experience at Ganoub Studio, Cairo, covering recording, mixing and mastering, audio editing and sound design on analog and digital equipment. Performing band musician and music teacher. Based in Aachen and seeking an Ausbildung or entry-level role in audio production.

PROFESSIONAL EXPERIENCE

Sound Engineer, Ganoub Studio, Cairo, Egypt 08/2024 – 08/2026

- Recorded, mixed and mastered music across several studio projects using professional recording techniques.
- Carried out audio editing and sound design.
- Worked with both analog and digital audio equipment.
- Completed the studio's Music Production course and Sound Engineering course under Eng. Amr Hefny, the studio's sound engineer.
- Worked directly with clients and colleagues; the employer's certificate (issued 11 September 2026) cites technical skill, reliability and a careful, creative approach. Verification available on request.

Guitarist, Funktion (band), Egypt

- Professional guitarist in the band Funktion, after several earlier band projects.
- Performed live at gigs across Egypt; rehearsal and ensemble playing in a band setting.

Music Teacher, Band Makers 09/2023 – 09/2026

- Mr. Ali was capable of teaching Electric Guitar following the Trinity College London Rock & Pop curriculum, covering levels from the Initial Grade through to Grade 8 professionally.
- Planned and delivered lessons, adapting content and pace to each student's level.
- Gave students feedback on technique and practice habits to keep their progress steady.

EDUCATION AND TRAINING

Bachelor of Science, Materials and Nanoscience 06/2024
Ain Shams University, Cairo, Egypt

- Graduation project (grade: Excellent): Applications of Ag Nanostars in Detection of Neurodegenerative Diseases Using SERS.
- Hands-on measurement and analysis with Raman spectroscopy, SEM and TEM; trained in the scientific method, precise procedures and data analysis.
- Laboratory training (2021 – 2023) at Nano Gate and the British University in Cairo, Nanotechnology Research Center: synthesis and characterization of nanomaterials; drug delivery fundamentals.

Thanaweya Amma (Egyptian General Secondary Education Certificate) 2020
Al Ola Modern School, Cairo, Egypt
